The inspiration and power of Performing Arts play a vital role in enabling our children to enhance their creative talent and develop their artistic skills. We at ISWK, encourage and nurture every child's natural creative flair.

Keeping this in mind, ISWK has organized the 'TALENTZ SPECTRUM WEEK' from the 5th of July to the 9th of July, 2020.

We look forward to all our students participating in the interesting activities mentioned below.

The background of the page is an abstract, textured composition. It features a mix of vibrant colors including shades of blue, purple, pink, and white. The texture is reminiscent of thick paint strokes or marbled paper. A prominent white, bird-like shape, possibly a dove, is visible in the upper left quadrant, partially overlapping the text.

Parents are requested to forward photographs or a short video while the child is creating the artwork, and the same may be mailed to the Class Teacher.

ALL STUDENTS WILL BE AWARDED A CERTIFICATE OF PARTICIPATION.

Looking forward to your support in encouraging your ward to participate wholeheartedly and help in further developing his/her creative skills.

Thanking you,

Warm regards,
