

INDIAN SCHOOL AL WADI AL KABIR

Teachers' Day Assembly-2019-2020 (MORNING SHIFT)

'Teachers should be the best minds in the country.' These are the words of Dr. Sarvapalli Radhakrishnan, a great Indian philosopher and statesman. He was the President of India and his birthday is celebrated nationwide as Teachers' Day.

The students of classes I-H and II-i conducted a special assembly to commemorate this special day. The narrators of class II-i took us through the program with enthusiasm and confidence.

The assembly began with a welcome song performed by the students of Class II-i in which the teachers were honored with titles. This was followed by the Lamp Lighting Ceremony by the honorable Vice – Principal, Mrs. Shashikala Prabhat.

The students of II-i then presented an entertaining skit- "A Day in a Teacher's Life." All the teachers and students enjoyed the skit thoroughly.

Thereafter, the students of class-I performed a dazzling dance to express their gratitude and thank the teachers for their contribution.

The next segment was the fun game organized for teachers where children also witnessed the teachers participating whole heartedly. The energy of the students charged the environment and their teachers felt feted.

The assembly was then concluded with a vote of thanks to all present.

Happy Teachers' Day!
