

Teacher's Day

A good teacher can inspire hope, ignite the imagination, and instill a love of learning -
Brad Henry Love.

The Teacher's Day assembly was conducted on the 9th of September by the students of class V of the afternoon shift in the ISWK Primary School penthouse. It was informative and fun.

We started off by enlightening the students about Dr. S. Radhakrishnan and why his birthday is celebrated as Teachers' Day. Then we had a few fun games for the teachers as well as for the children. The winners were given prizes. Next the children read out a few quotes about teachers which warmed the hearts of all the teachers.

Finally, we had a beautiful prayer that everyone said just for the teachers for their well-being, their hard work and their wonderful contribution to their students' lives.

A Teacher's Purpose

*To give our very best
so that kids can grow up
to become their very best.*

*It's one of the
hardest jobs there is.
It's also one of
the most rewarding.*

*While an outsider might have judged you
for making a fool out of yourself, for us
inside the classroom, you were not just a
teacher. You were a superhero! Thanks
for letting us dream big.*
