

## *TECHFEST COMPUTER COMPETITION (2019-2020)*

*“The future belongs to those who learn more skills and combine them in creative ways” - Robert Greene*

*The final round of the Techfest Computer Competition for Grades III, IV and V (Morning Shift) for the year 2019-2020 was conducted at the computer lab of ISWK - Primary Section on the 5th of February, 2020, to showcase the IT skills of the little budding stars.*

*There were around 40 finalists at each grade and six of them emerged to be winners in various positions.*

*Ms. Minal Bhimani (Khimji Ramdas - IT Department) and Ms. Tessa (Facilitator, Department of Computer Science, ISWK - I) were the esteemed judges of the event. As the competition was intense, the judges had a difficult time in choosing the winners. The judges praised the interest and enthusiasm and the ideas put forth by the students in their work.*

*Ms. Seema Pereira, Senior supervisor, appreciated the students for their fantabulous work.*

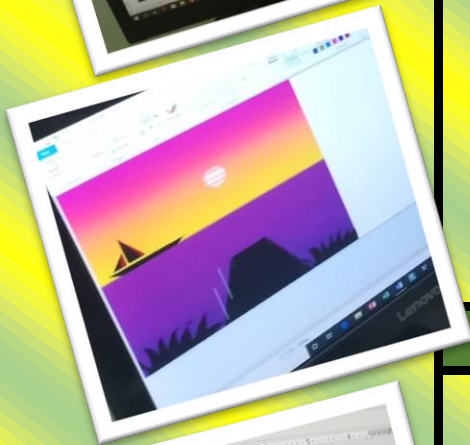

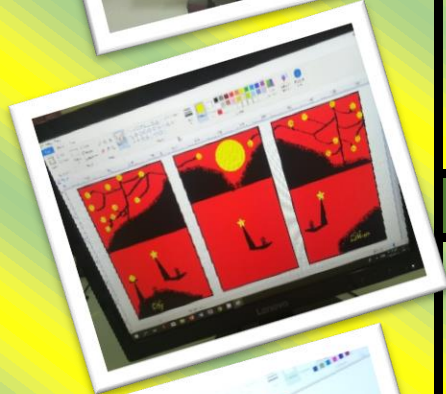

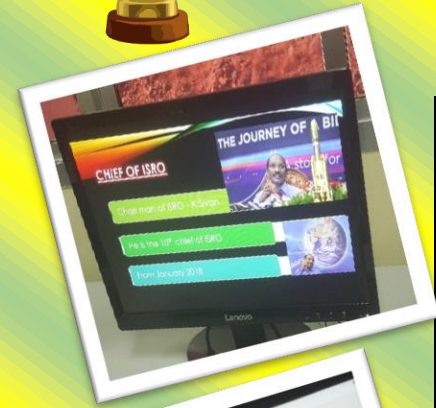

*The event concluded with the Academic Coordinator, Ms. Ambika Padmanabhan announcing the winners of each grade and thanking the judges. The winners were rewarded with prizes and certificates by the judges. It was indeed an exciting event!*

*We are pleased to publish the details of the Winners!*
