My journey through Vidyarthi Vigyan Manthan (VVM), which is named apt to its immense durability in providing a churn in the minds of millions of students including me, will remain unique and memorable in all aspects. I state this because young minds were ignited with the hidden talent of many scientists, Ayurvedic knowledge and many more which are not brought under light in this world. It has been a great platform in increasing my interest and curiosity on Indian history. I really found the experience exciting. Looking forward towards many more memorable journeys in VVM.
