

WORLD ELDERS' DAY CELEBRATION ISWK-PRIMARY (AFTERNOON SHIFT)

"Elders are the guiding light that help us to soar the heights of success"

The special assembly on **WORLD ELDERS' DAY** was conducted by the students of Class 1 (Afternoon Shift) on Oct 7th, 2019. The Penthouse was beautifully decorated and it created a wonderful ambience. The assembly began with a prayer for grandparents. The students were reminded to respect the elders for their rich experience. It was followed by the students from Class 1 sharing their wonderful moments and experiences with their grandparents. Thereafter, a scintillating dance performance was put up by the students of Class 1M to celebrate this auspicious day. A captivating skit was also put up by the students of Class 1L which highlighted the fact that elders should be respected and appreciated, especially the parents as they sacrifice their time and joy for the wellness of their children. A special song was dedicated to the grandparents, wherein the teachers of Classes 2, 3, 4 & 5 acted as grandparents on stage and this reminded the children of their own grandparents. This was followed by a video presentation of the children along with their grandparent(s) showcasing 'the Kodak moment'. The assembly concluded with a motivational speech by the Vice-Principal which again highlighted that children must value, love and care for their grandparents.
