Facts about Late Dr. Kalam's life and the reason for his birthday being chosen to be 'World Students' Day' was shared with the students of all sections of the Primary classes.

His love for students find best voice when he said, " Dream, Dream, Dream! Dreams transform into thoughts and thoughts result in action."

The members of the faculty wished the students on their special day and motivated them to do their best and aim high.

The assembly ended with a reiteration of a few very inspirational quotes penned by Dr. Kalam and a befitting dance brought the curtain down to the special assembly.
