CHRISTMAS SPECIAL ASSEMBLY
CLASSES I & II (M/S)**

The season of love, peace and joy is here! The holiday season took off at ISWK with a Special Assembly on **Christmas** conducted by the students of **Classes I B and II E** of the Morning Shift.

Christmas is a time to give and forgive. Celebrated everywhere as a joyous family affair, we too, at ISWK celebrated Christmas as a happy time for our students. The stage was setup on the **ground** of the **ISWK Primary Wing** emblazoned with bright and colourful wreaths, holly, stockings, bells, stars and candy canes. At the center, a manger crib was readied for grand birth of Lord Jesus Christ.

The students of Classes I and II assembled with great enthusiasm on the ground. They huddled, enjoyed a rare treat of a cold morning in the city. The choir melodiously welcomed the students with the song "**Christmas This Year**" narrating the message of hope and happiness. Next, the young actors enthralled the audience by presenting the **Nativity Skit**. The musical tableau began by the enactment of the birth of Lord Jesus Christ, followed by the choir singing a lullaby "**Hush!**". This action song was mesmerizing as the audience too joined in, to sing the well known lullaby.

The students dressed as shepherds and three wise men followed the shining star to the stable rejoicing this glorious occasion. Next a medley of lively dances based on the symbols associated with Christmas was rhythmically performed. The dynamic dancers were attired in the costumes of the beautiful **Christmas Trees, Reindeers, Candy Sticks and Snowman**.

The festivity continued with the energetic **Christmas Polka Dance** and the greeting song **Feliz Navidad** which mean "Happy Christmas!". The atmosphere was electric, charged with gusto and zeal. **Santa Claus** too made an impressive entrance through the gate bringing thorough delight to the students. A thunderous applause rang around the ground for the fantastic display of events.

The efforts of the teachers and students of both the classes, for bringing to life the spirit of Christmas are indeed commendable. May the magic of Christmas spread far and wide! **ISWK wishes everyone A Merry Christmas and A Prosperous New Year – 2018 !**
