OMAN NATIONAL DAY SPECIAL ASSEMBLY
CLASSES I & II (Morning Shift)**

The **47th National Day Of Oman** was celebrated with great enthusiasm at ISWK. The students of **Classes I A and II J** of the Morning Shift marked this glorious occasion by conducting a Special Assembly on 26th November, 2017.

The ambience at the basement of ISWK Primary Wing was traditional picturesque of local culture. The students commenced the Special Assembly by an eloquent narration of the history of Independence of the people of Oman from the Portuguese on 18th November and the birthday of Sultan Qaboos Bin Said on 19th November.

The students highlighted that the National Day is a time of patriotism for Omani citizens and mentioned the **"Celebration Fiesta"** which includes parades, processions with flag bearers, lectures at schools and universities, decorations around the country and firework demonstrations.

This was followed by girls decked in Omani finery and costumes dancing to the song "Helwa Oman", which talks of the beauty of Oman. The boys dressed in the traditional attire then performed on the "Sultan Qaboos Song", which sang praises about the father figure and the benevolent ruler of Oman.

The significant bilateral ties between India and Oman were then emphasized by a song on Oman – India friendship sung by the choir proudly waving the National Flag of both the countries. The students concluded the Special Assembly by singing the National Anthem of Oman, striking the perfect finale for the programme.

On behalf of all at ISWK, we offer our heartiest felicitation to His Majesty Sultan Qaboos Bin Said and the people of Oman on the joyous occasion of the 47th National Day.

"Long Live His Majesty Sutan Qaboos Bin Said!"
