

Childrens' Day Assembly Classes I and II (Morning Shift)

"Childhood is about innocence and playfulness. It is about joy and freedom."

To celebrate the buoyant spirit of childhood, Childrens' Day was celebrated by Classes I and II of ISWK Primary Wing. The celebrations kick started with fun filled activities and competitions for the children on 12th and 13th of November. These competitions were open to all the children of Classes I and II and the children participated whole heartedly, putting their best foot forward! The theme for the celebrations this year was "Minion". The basement foyer was decorated in the Minion colours of yellow and blue!

A Special Assembly was presented by the teachers of Classes I and II on 14th November. The enthusiastic teachers danced to the tunes of peppy songs which filled the air with excitement! It was delightful to watch the teachers reliving their childhood with their dear students! The surprise element of the Assembly was the 'Minion Mascot'. The children couldn't contain their excitement when they saw the Minion Mascot and were thrilled to watch him dance with their teachers!

It was indeed an entertaining and joyful assembly. Commendable effort by the teachers to make the day special for their dear students! There are some things we cannot buy, one such thing is our childhood...May the love, laughter and happiness always stay on every child's face!
