

"We can enjoy nature year-round, but World Environment Day is a time when the entire world comes together to celebrate our beautiful planet."-Erik Solheim

World Environment Day is celebrated annually on June 5th and was created it to inspire people around the globe to become more aware of the environment and to learn ways to help and ensure that the future of our planet is safe. It reminds us of what a treasure nature is and encourages us all to protect and appreciate our environment.

World Environment Day to ensure positive environmental actions. "Connecting People to Nature" is the theme of World Environment Day 2017. It implores us to get outdoors and into nature to appreciate its beauty and importance. Mrs. Neepa Sanghani and her team from Shrimad Rajchandra Divine Touch enacted a skit on the theme "Protect the Environment". Some activities were conducted for the children too. The students pledged to take care of their surroundings and the environment at large.
