

INDIAN SCHOOL AL WADI AL KABIR

EXCURSION TO TRAMPO OMAN

CLASS - V 2018-19

An exciting and a fun-filled adventure trip to Ghala, 'Trampo Extreme' was planned for the students of Class V as part of the annual school excursion. They visited the venue on 18th and 19th of November, 2018. It was a good learning experience as well as an enjoyable outing for the students. They had a delightful time on the trampoline, which gave vent to their energy and promoted physical activity as well as helped students overcome the fear of height. All the students were a part of this trip. The safety measures were indeed commendable. On their return, they were provided with snacks. It was definitely a memorable trip for our young and energetic Children.

TRAMPO EXTREME
