

EXPRESSIONS

CLASS III

A wise man once said, "After nourishment, shelter and companionship, stories are the thing we need most in the world." It's the stories that give wings to our imagination and take us to places beyond the boundaries of our physical world.

To enhance the confidence and speaking skills of the students, ISWK-Primary Wing organised 'Expressions'- English Story Telling Competition for the students of Class III on 7th October 2018. An orientation programme was conducted by the teachers to brief the students about the competition. Teachers guided the students with all the details of 'Expressions' through videos, power point presentations along with a demonstration of narrating a story. The finalists were selected from the preliminary round held during the month of August.

The young storytellers drove the audience to a 'Magical World of Stories'. The competition brought out the best of oratory and imaginative skills of the students. To captivate the audiences' attention and make the narration interesting, the narrators brought the characters to life by using a variety of props and power point presentations. The participants made effective use of facial expressions, gestures and voice modulation.

Positive feedback from the judges added to the success of this competition!
