WORLD STUDENT DAY

IF YOU FAIL,
NEVER GIVE UP
BECAUSE FAIL MEANS
FIRST ATTEMPT
IN LEARNING

World Student's day is celebrated on **15th of October** every year across the world to commemorate **the birth anniversary** of the great Indian scientist and **Former President of India Dr A. P. J. Abdul Kalam** who was loved by the students across India. He loved to teach and that is how he wanted to be remembered. He loved his students and always encouraged them to learn more. Due to his love towards education, students and his focus and efforts in promoting the education **United Nations** declared his birthday (October 15) as 'World Students Day' in 2010.

World Students's Day Assembly was held at the Indian School Al Wadi Al Kabir, **primary section (Morning Shift)**, on 15th of October 2018. The assembly was presented by the children of classes **I-G** and **II - B**. Children spoke on the importance of the date and in brief on the life of A. P. J. Kalam. Based on the song "***I Have A Dream***" a few children came forward and spoke about what they would like to be when they grow up. It was followed by a song "***We are the World***" where children dressed themselves in different traditional costumes representing different nationalities of the world. The assembly ended with the students taking the pledge - ***promising to lead a fruitful life as students.***
