

ENGLISH CHORAL RECITATION (2018-2019)

“Poetry is when an emotion has found its thought and the thought has found words.” These words by Robert Frost was literally brought to life in the Class IV Inter Section English Choral Recitation at Indian School Al Wadi Al Kabir, held on February 14, 2019. The event was witnessed by all sections of the morning shift showcasing brilliant coordination and expression skills. Credit goes to all the English teachers who worked their fingers to the bone to come up with stupendous performances. After the tough competition Class IV G walked away with the first prize. The second position was bagged by three sections- IV B,C and E and the third was grabbed by IV H.

Kudos and congratulations to the winning sections and all participants for their fabulous presentations!
