WILDLIFE WEEK CELEBRATION

CLASS III

MORNING SHIFT AND AFTERNOON SHIFT

As part of our initiatives in providing meaningful learning experiences to our students, Wildlife Week was celebrated from 2nd of October to 8th of October to connect budding conservationists of grade III to the awesome wonders of wildlife.

OBJECTIVES OF CELEBRATING WILD LIFE WEEK

- ❖ To make students more aware of the conservation and protection of wild life.
- ❖ To focus their attention towards the importance of conservation of wild life.
- ❖ To discuss all the issues related to the preservation of wild life.

There were wayside exhibits of models from each section of grade III displayed in the foyer on the following themes.

Morning Shift

<i>Classes</i>	<i>Themes</i>	<i>Classes</i>	<i>Themes</i>
<i>Habitat of Animals</i>		<i>National parks and Wildlife Sanctuaries</i>	
<i>III-A</i>	Trees	<i>III-F</i>	Jim Corbett National Park
<i>III-B</i>	Deserts	<i>III-G</i>	Kanha Tiger Reserve
<i>III-C</i>	Polar Region	<i>III-H</i>	Bhandipur National Park
<i>III-D</i>	Aquatic	<i>III-I</i>	Mudumalai Sanctuary
<i>III-E</i>	Terrestrial	<i>III-J</i>	Gir National Park

Afternoon Shift

<i>Classes</i>	<i>Themes</i>
<i>III-K, III- L , III- M</i>	Values We Can Learn From Animals

The exhibits captured the attention of students and parents, alike.

Fun has a positive effect on motivation levels, determining what we learn and how much we retain. If the learning experience is fun, learners will stay curious and keep coming back for more. To ensure a fun-filled learning experience, selective scenes from “Jurassic World” were screened to students. They relished popcorns while watching the movie.

The movie was followed by a classroom discussion on “Extinct Animals” and “Endangered Animals.” Teachers brought out the need for the preservation of wildlife.

Students prepared animal masks and displayed them in the classrooms. Slogans related to conservation of wildlife were shared in the class. Few adorned themselves with the masks and spoke about the theme of “Wildlife Week 2018 – “Big Cats – Predators Under Threat.”

There was also a special Assembly on Wildlife by students of class III B. It was a very informative assembly with the message on “Wildlife – A priceless treasure, conserve it with pleasure.”

On the concluding day, all the relevant points of Wildlife Week were recapitulated to students in a Powerpoint Presentation and a quiz was conducted to enable students reflect on their learnings from the Wildlife Week.
