WORLD ENVIRONMENT DAY(MORNING SHIFT)

" WE WON'T HAVE A SOCIETY IF WE DESTROY THE ENVIRONMENT"

Margaret Mead

WORLD ENVIRONMENT DAY is celebrated on the 5th of June every year. It was established in 1972 by the United Nations General Assembly for raising awareness on emerging environmental issues. Each World Environment Day is organised around a theme. The theme for 2019 is 'Beat Air Pollution'.

The students of classes III-D, IV-A and V-A conducted a special assembly to commemorate this special day. The Eco Club "GREEN AMBASSADOR" was officially launched with 80 Student Prefects and 13 Teacher Coordinators.

The students spread the message to 'STOP AIR POLLUTION' through a variety of entertaining activities that included an action song, mime, dance and Hindi song. The guests were highly impressed by the performance, theme and the vigour and enthusiasm displayed by the children.

The guests of honour were, OMAIMA LABIB AL SWAISI, BADRIA SULAIMAN SALAM AL BARTAMANI (Social outreach and community officers at Be'ah) and MOZA MOHAMMAD ZAHIR AL-HINAI (Social outreach community agent).

The message from the Vice Principal Mrs Shashikala Prabhat was befitting to this occasion. "We envisage the Primary Campus "GOING GREEN" and have pledged to go any length to see it in reality."
