

**WORLD ENVIRONMENT DAY SPECIAL ASSEMBLY
2019 -2020
CLASSES – IF & II H (Morning Shift)**

World Environment Day is celebrated annually on June 5th. The main aim of this day is to change our attitude towards environment. To mark this day, the students of Classes I F and II H conducted a special assembly keeping in mind the theme for the year "Air Pollution".

The students conveyed the message through a mime and an action song.

Posters viz. 'Stop Air Pollution' 'Be a Solution', 'Plant a Tree' and 'Go Green' were displayed during the assembly. The fact that moving on a bicycle and walking helps to reduce air pollution was aptly demonstrated at the assembly.

The assembly was concluded with an action song 'The Earth is Our Home' and a strong message to **REDUCE, RECYCLE, REUSE.**
