

English Choral Recitation Grade III

Date: 7th August, 2019

Venue: ISWK Primary School, Pent House

***"When everyone moves forward,
then success takes care of itself....."***

This was well witnessed by everyone attending the Recitation Competition held for the students of Grade III.

Ten sections of Grade III had a cut-throat competition with each section putting their best foot forward to vie for the winning positions.

The students and their teachers put in their best efforts and their hard work truly reflected in their presentations. The colourful props, the magnetic performances by the speakers and the chorus of the speakers breathed life into poetry.

The students of Grade III H who recited the poem '*Cinderella*', were adjudged the winners of the competition.

Following close were the students of Grade III F with their poem '*The Littlest Christmas Tree*' who bagged the Second Prize.

The Third position was claimed by the students of Grade III H with their poem '*Raypunzel*'.

It was a spellbinding performance indeed!

Congratulations to the winning classes of Grade III who performed their best!
