The participants for the contest comprised of students from 9 Indian Schools of Oman- Muscat, Seeb, Darsait, Muladha, Maabela, Ibra, Ghubra (International), Wadi Kabir Cambridge International and the host school ISWK. All the schools were seen vying with one another for the top position.

The dances which were beautifully presented wound around the theme “Dances of the World”.

The participants were dressed in their finery with elaborate make-up and a multitude of props which accentuated their dance performance. All the participants rhythmically swayed and twirled in perfect synchrony. They enthralled the audience who were left spell-bound with their complex but delicate moves.

The budding singers of the choir, with their song ‘Best Day Of My Life’ supplemented to the musical repertoire.

The competition was a close call for many schools. Indian School Muscat emerged as the winner, with Indian School Darsait and Muladha as second runners- up and Indian School Seeb as the third runner-up.
