

# INDIAN NURSERY AL WADI AL KABIR

Dear Parents,

Greetings from ISWK!

We are pleased to announce that **ISWK Nursery** will commence their academic session **2021-2022** in the KINDERGARTEN CAMPUS. The new location will offer the tiny tots, spacious classrooms, a bright and welcoming ambience and a happy learning environment.

Admission closes by  
10th April 2021

Classes start on the  
15th of April 2021

We believe that the best way of developing young children is a combination of free and structured play in beautiful and engaging preschool learning environments. We also believe that play is the best way to learn – even if you're learning advanced concepts in languages or math. Our Nursery program is based not just on the age of the child, but at their pace of learning in different areas. Not all children like to play with the same toys – each child is different. We customize our approach, based on the child's interests and preferred style of learning.
