MOTHERS' DAY CELEBRATIONS

**“A mother is very special,
Treat her with tender care,
For you will never know her value,
Till you see her empty chair”.**

Mother's Day is one of the occasions when we can show our gratitude to our lovely and gorgeous mother. The oodles of happiness and bunch of jovial moments that she has given us indeed need a celebration. She is the one who first showed us the world and now it's our turn to show her the world. A mother takes every pain simply for her child without uttering a single word of dissatisfaction.

Mother's Day was celebrated at ISWK, Primary Section (Afternoon Shift) by the students and teachers of Class III, in honour of this beautiful creature of the Universe who has the unfathomable power to give birth to another life. The evening was packed with fun-filled activities and games which saw the active involvement of the mothers who exhibited their skills by taking tests to show how well they know their children.

It was an evening for the mothers to remember as they went home with sweet memories to cherish.
