

World Students' Day Assembly- Classes I & II (Morning Shift)

World Students' Day was celebrated by the students of Classes I & II on 16th October 2017. The decorations in the basement foyer set the mood for celebration! The Assembly which was presented by Classes I F and II i began with a skit explaining the reason behind celebrating Dr. APJ Abdul Kalam's birthday as World Students' Day. The well trained children spoke with confidence, clarity and poise.

Dr Abdul Kalam believed that " Dreams transform into thoughts and thoughts result in action" To carry forward this belief, the students of Class I F dressed in different costumes shared their dreams with the others. It was heartwarming to see the little students having such great ambitions in life! This was followed by a dazzling dance performance by the children of Class I F on the tunes of the song " I have a dream..."

The Assembly ended with a fitting tribute to Dr Abdul Kalam by the children of Class II i. The children presented a wonderfully choreographed dance on the song, 'Kalam...Tujhe Salaam" The well synchronized dance filled every Indian's heart with pride and reverence towards this great man who made a humble beginning but went on to become the most loved Indian ever!

Kudos to the teachers and the children of Classes I F and II i for staging such a wonderful assembly!

Dr APJ Abdul Kalam said- " It is very easy to defeat someone, but very hard to win someone". The ISWK family salutes this great man who won millions of hearts and will always remain in our memories for generations to come!

Happy Students' Day!
