Teacher's Day

**TEACHERS' DAY
SPECIAL ASSEMBLY
{AFTERNOON SHIFT}**

“Teachers are the torch bearers of the Gen-next”

Teachers play a major role in making their students good human beings and responsible citizens of tomorrow. It is impossible to imagine our lives without teachers. They are the cornerstone of our future. We can never thank teachers enough for their immense contribution in a student's life. Teachers' Day is celebrated to show our acknowledgement and recognition of the hard work put in by the teachers towards the development and growth of the students.

The Teachers' Day Special Assembly was celebrated on September 7th, 2017 and was conducted by the students of classes I-L, I-M, I-O & V-K. The assembly started with a welcome address by Ms. Sachi from Class I-O. It was followed by a welcome song dedicated to the teachers and put up by the little angels. Programmes like dance and also a skit, put up by the council members and students of Class V-K, made the day explicable. The students took great effort and ensured that the teachers enjoyed every minute. Various games were also conducted which were well participated by all teachers with enthusiasm. They were students once again. As a token of their love and appreciation for their teachers, the students presented them with special handmade cards.

All in all, it was a day to remember. The teachers and students were thoroughly entertained and most certainly look forward to Children's Day to be celebrated in November now.
