

INDIAN SCHOOL AL WADI AL KABIR DEPARTMENT OF EVS [2024 – 2025]

LESSON: MAPPING OUR NEIGHBOURHOOD

WORKSHEET-1

RESOURCE PERSON: Ms. Poonam Joshi

N	IAME:		CLASS:	SEC:	DATE:	
[.	Choose and	circle the correct	t answer.			
L)	A rough drawi	ing of a place is cal	lled a	•		
	(a) directions	(b) landma	ırk	(c) scale	(d) sketch
2)	Explanation of	f symbols on a map	o is called a	•		
	(a) key	(b) symbol	I	(c) direction	(d	l) scale
3)	Α	is a sigr	n representing a l	andmark.		
	(a) map	(b) sketch		(c) symbol	(c	d) key
4)	The colour gre	een is used to indic	ate	on the map.		
	(a) snow	(b) moun	tains	(c) water bodies	s (c	d) plains
5)	We can buy ro	oad maps from	<u> </u>			
	(a) bookshops	(b) librario	es	(c) homes	(0	d) schools
l)	The area arou	er the following and our home is oughbours. in a city can be a l	r neighbourhood,	and the people		to our hou
2) 3)	The area arou are called neig A big hospital With a road m The language	nd our home is oughbours.	r neighbourhood, andmark. locate any house as the same all ov	and the people in the colony er the world	living near	
2) 3) 1) 5)	The area arou are called neighborship A big hospital With a road manage and the language Scale is a sign	ind our home is oughbours. in a city can be a lap, we can easily of the map remain representing land	r neighbourhood, andmark. locate any house as the same all over	and the people in the colony er the world	living near	
2) 3) 4) 5)	The area arou are called neighborship A big hospital With a road manage and the language Scale is a sign	ind our home is oughbours. in a city can be a lap, we can easily of the map remain representing land	r neighbourhood, andmark. locate any house as the same all over	and the people in the colony er the world	living near	
2) 3) 4) 5)	The area arou are called neighborship A big hospital With a road manager The language Scale is a sign. Circle the odd directions	ind our home is oughbours. in a city can be a lap, we can easily of the map remain representing land	r neighbourhood, landmark. locate any house as the same all over mark. ive a reason for sketch	in the colony er the world	living near	
1) 2) 3) 1) 5)	The area arou are called neighborship A big hospital With a road manager The language Scale is a sign. Circle the odd directions	ind our home is oughbours. in a city can be a land, we can easily land of the map remain representing land land one out and ging colours	r neighbourhood, landmark. locate any house as the same all over mark. ive a reason for sketch	in the colony er the world	living near	
1) 2) 3) 1) 5)	The area around are called neighbors A big hospital. With a road must be a sign. The language Scale is a sign. Circle the odd directions Ans:	ind our home is oughbours. in a city can be a land, we can easily of the map remain representing land colours symbols	r neighbourhood, andmark locate any house as the same all over mark ive a reason for sketch signs	in the colony er the world it. signs and	living near	
1) 2) 3) 1) 5)	The area around are called neighbors A big hospital. With a road must be a sign. The language Scale is a sign. Circle the odd directions Ans:	ind our home is oughbours. in a city can be a land, we can easily of the map remain representing land colours symbols	r neighbourhood, andmark locate any house as the same all over mark ive a reason for sketch signs	in the colony er the world it. signs and	living near	
1) 2) 3) 1) 5)	The area arou are called neight A big hospital With a road mutual The language Scale is a sign. Circle the odd directions Ans:	ind our home is oughbours. in a city can be a land, we can easily of the map remain representing land colours symbols	r neighbourhood, andmark locate any house as the same all over the same all o	in the colony er the world signs and _ neighbours	living near	
1) 2) 3) 1) 5)	The area arou are called neighbors A big hospital. With a road mark around the language of Scale is a sign. Circle the odd directions Ans:	ind our home is oughbours. in a city can be a land, we can easily of the map remain representing land colours symbols	r neighbourhood, andmark locate any house as the same all over the same all o	in the colony er the world signs and _ neighbours east	symbols	

IV. Observe the map of Dan's neighbourhood carefully and help Dan solve the following questions with the help of the clue box. (some words are extra)

East, South, South-east, West, North-west

- **a)** Dan has to return his library books to the library. What direction does he need to follow to reach to the library from his home?
- **b)** After library, Dan needs to meet his friend Joe at the Mall with his mom. What direction do they need to go to meet her at the mall?
- **c)** Dan saw one accident in the park near the Mall. To report the incident, his mom and him went to the police station in ______ direction.
- **d)** The church is ______ of the Mall.
- e) What direction is Dan's house from the police station? _____
- V. Observe the symbols and write what each symbol represents.

VI. If two places are 400 km away from each other and the distance between them is 4 cm on the map. What is the scale of the map? (Math Integration)
