Guess the Season, Spot the Celebration!

Q2. Let's go for a riddle ride through sunny days, rainy plays, festive ways and much more! Are you ready?

1. The sun shines brightly over us during the months of April, May and June. Guess the season?

2. The festival is celebrated for 10 days. This event marks the victory of good over evil. Which festival is this?

3. Plants are full of flowers and trees have new leaves. Can you guess the season?

4. Dark clouds appear in the sky and there is lightning and thunder. Which season is this?

5. Sisters tie 'rakhis' on the wrist of their brothers and pray for their well-being. Can you guess the festival

6. During the months of October and November, the trees shed their leaves. Which season is this?

Q3. Answer the following questions.

1. Why do farmers wait for the rainy season?

2. What do sisters do on Raksha Bandhan?

3. Amy lived in a town where the summer sun made everything hot and sticky. Her summer vacation had begun. One day Amy went to the park with her friends. They played on the swing and the slide. They were all thirsty so they drank a lot of water but they were very tired so they rested under a shady tree in the park. When she returned home her dad had made plans to go to a hill station. Amy was very happy and excited.

LIFE SKILLS

a. During which months do we have the summer season?

b. Why do we need to drink plenty of water during summer?

c. Why do people like to go to hill stations in summer?
