GUIDELINES FOR PROJECT WORK IN ACCOUNTANCY-XII-22-23

It is expected that the Project Work will help the students in developing the skills to comprehend, analyse and interpret accounting data of the business firms and make it meaningful for taking business decisions.

PRACTICAL Total Marks: 20

Project file - 12 Marks

Viva Voce - 8 Marks

Objectives

To enable a student to complete the accounting process in real life business situations and apply the tools of analysis as per the syllabus for a comprehensive project.

To develop the competence of reading accounting data from quarterly or half yearly or annual reports of business firms and interpreting the information on the basis of given guidelines to present the desirable information in required format in the Project File for Specific Projects.

While evaluating the Project File, marks are to be awarded out of twelve, based on:
