<b>Worksheet No: 5 Answer Key</b>	<b>Topic: A Robot in the House</b>	<b>Note: English Notebook</b>

## **A1. Answer these questions:**

1. Why was Ajay angry with the robot in the beginning?

Ans: Ajay had not completed his homework. While he was lying to his father, the robot said the truth. This made Ajay angry with the robot.

2. What were the activities that the Manku robot could do?

Ans: Manku could help the family with domestic work by following clear instructions. They were programmed to respond to clear honest statements of fact.

3. Why was the robot confused when Ajay told it he was not there?

Ans: The robot was confused because he could see Ajay in front of him.

4. Why did Ajay take Tariq into his room?

Ans: Ajay took Tariq to his room because the robot would interfere with their conversation.

5. What did the man from the Robotics International decide to do when Ajay complained?

Ans: The man from the Robotics International decided to withdraw their services from Ajay's home.

## **A2. Think and answer:**

1. How do you think Ajay's father knew Ajay was lying?

Ans: Ajay's father knew he had not done his homework because his terminal was not in use and the robot confirmed the fact.

2. Why do you think Tariq just smiled and laughed at the scene at Ajay's house?

Ans: Tariq just smiled and laughed at the scene at Ajay's house because the conversations between Ajay and the robot seemed interesting to him.

3. Do you think the Manku robot faced a threat living in Ajay's house? Give reasons for your answer.

Ans: It could be a threat at some level. For example, someday in anger if Ajay would tell the robot something wrong, the robot would follow the command, because robots cannot reason what is right and wrong. They just follow instructions.
