

INDIAN SCHOOL AL WADI AL KABIR

DEPARTMENT OF MATHEMATICS (2024-2025)

TOPIC: SUBTRACTION

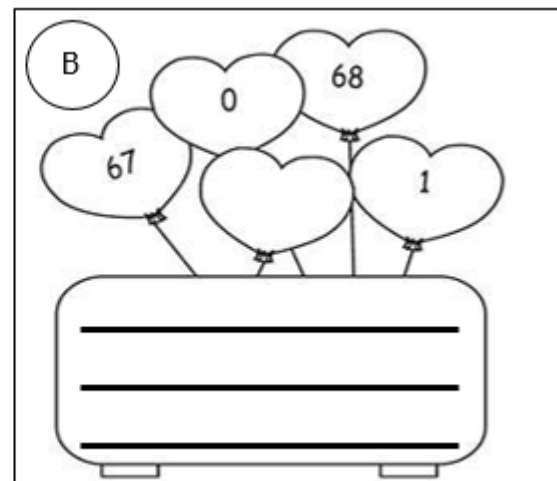

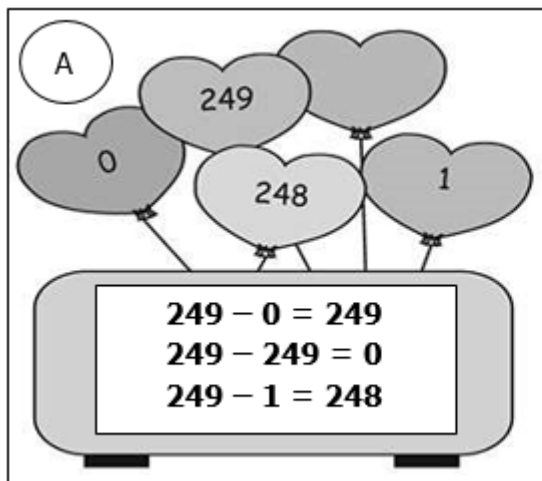

RECALL WORKSHEET

RESOURCE PERSON: MS MIDHAT FATIMA

NAME: _____ CLASS: III SEC: _____ DATE: _____

Read the instructions and do as directed.

QI. Shalu's friend gifted her a beautiful showpiece on Friendship Day which was celebrated on the 30th of July. The showpiece displays some important properties of Subtraction. Observe it carefully and try to frame the properties of Subtraction on your own (use the numbers given in picture B). Also, colour the little hearts.

QII. Subtract the following.

a

	T	O
	9	0
-	7	4

b

	T	O
	8	2
-	3	5

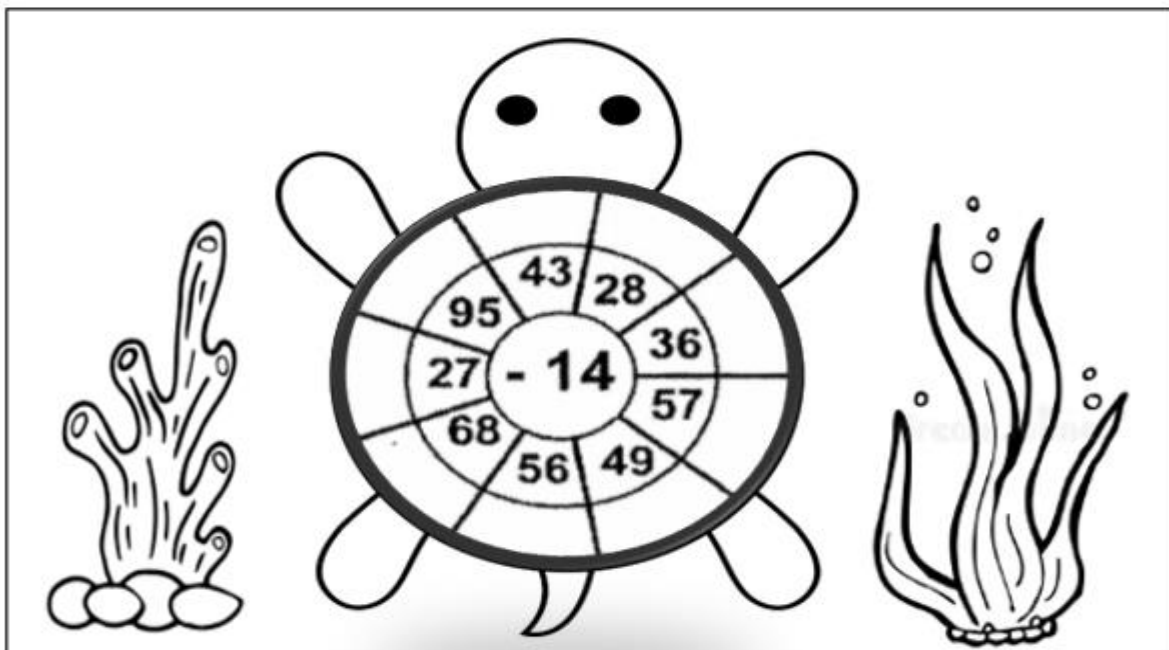

QIII. Solve the given story sum.

- a. A baker made 642 cup cakes. He sold 332 cup cakes. How many cupcakes were not sold?**

Number of cupcakes made =	
Number of cupcakes sold =	
Number of cupcakes left unsold =	
Ans. _____ cupcakes	

QIV. Hari, the turtle, is one of the aquatic animals. It is carrying a subtraction wheel on its shell for you. Complete the subtraction wheel and colour it.

QV. Adults have 32 teeth. Anaya studies in Class II. By now, 20 teeth grew in her jaws. How many more teeth will grow when she turns into an adult?

Ans. $32 - 20 =$ _____ teeth
