C.

# Mode of Transport

Mode of Transport is a term used to define the ways of transportation.

**Differentiate between the above three kinds of modes using the given clues.**

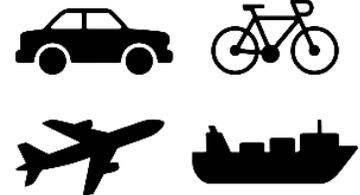

<p>Air Transport</p>	<p>Land Transport</p>	<p>Water Transport</p>
Any 2 examples - _____ _____	Any 2 examples - _____ _____	Any 2 examples - _____ _____
Where do these move? in _____	Where do these move? on _____	Where do these move? on _____
Speed of the transport – _____	Speed of the transport – _____	Speed of the transport – _____

## D. The Birthday Surprise

### LIFE SKILLS

Your best friend, Leo, lives on a small island that doesn't have any roads or cars. Leo's birthday is tomorrow, and you want to deliver a big, beautiful cake and a new toy robot to his house.

You are standing on the land, right next to the sea. You can see Leo's island a little way off. **Which means of transport should you use to get to Leo's island with his big, heavy presents? A bicycle, an airplane or a boat ?**

**Explain your choice.** (Why is your choice the best way to cross the water?)
