

# INDIAN SCHOOL AL WADI AL KABIR

DEPARTMENT OF MATHEMATICS (2023-2024)

TOPIC: Addition and Subtraction and their applications

WORKSHEET

RESOURCE PERSON: Ms. Bandana Thakur

NAME: \_\_\_\_\_ CLASS: V SEC: \_\_\_\_\_ DATE: \_\_\_\_\_

**Read the instructions and do as directed.**

**I) Read the questions carefully. Solve them if required and then circle the correct answer.**

1) By how much is 45,000 greater than 44,990?

- (a) 1,110                      (b) 110                      (c) 100                      (d) 10

2) What number should be added to the greatest six-digit number to get the smallest seven-digit number?

- (a) 1                      (b) 10                      (c) 100                      (d) 1000

3) What is the difference between the number that comes just before 710 and the number that comes just after 710?

- (a) 700                      (b) 100                      (c) 2                      (d) 1

4) 100 less than 24,100 is

- (a) 24,010                      (b) 24,000                      (c) 24,001                      (d) 23,000

**II) Read the story sums below and identify the operation you should use to find the correct answer. Put the correct sign (+ or –) in the box.**

1) **Adopt a Tree** campaign was held in a town last year on **World Environment Day**. On the first day of the campaign, 23,512 trees were adopted and on the second day, 25,240 trees were adopted. How many trees were adopted in two days?

2) Riya bought a Smart TV for ₹ 45,550 and a refrigerator for ₹ 24,900. How much more did she pay for the Smart TV than the refrigerator?

3) Ramesh earns ₹ 75,000 per month and spends ₹ 44,000 on his monthly expenses. How much money does he save?

**III) Fill in the missing digits.**

a)

$$\begin{array}{r} \square 87,989 \\ - 2\square\square,902 \\ \hline 232,087 \end{array}$$

b)

$$\begin{array}{r} \square 49,46\square \\ + 299,799 \\ \hline 4\square 9,264 \end{array}$$

**IV) Solve the word problems given below.**

1) A large library lent out 17,985 books in a month. If it has 54,112 books left, how many books does the library have in all?
