# INDIAN SCHOOL AL WADI AL KABIR 

DEPARTMENT OF MATHEMATICS (2024-2025)
TOPIC: ADDITION
RECALL WORKSHEET
RESOURCE PERSON: Ms. Anjali Barla
NAME: $\qquad$ CLASS: III SEC: $\qquad$ DATE: $\qquad$
Read the instructions and do as directed.
I. Dev locked this safe and forgot the code. He can enter the code only once and the sum of two numbers is 101. Can you help him open the safe?

The 2 numbers that will unlock the safe is
$\qquad$ $+$ $\qquad$ $=101$

II. The Royal Jumbo circus is in town. The clowns are playing a game. They will shout out the number name and catch the correct ball. Draw lines to connect the balls with the right number name.

Three hundred twenty

ISWK-Primary/Department of Mathematics (2024-2025)
III. Aadi loves Formula 1 race. Horizontally add the numbers and find the total number of laps taken in 30 minutes.

| Track No. | No. of Laps | Total |
| :---: | :---: | :---: | :---: |
| 1 |  |  |
| 2 |  |  |

IV. Nathan is getting late for school. Find the shortest route that he can take by adding the numbers written on each stone. Write the total on the space provided for each route and colour the shortest route in green.

| Route <br> 1 |  |
| :--- | :--- |
| Route <br> 2 |  |
| Route <br> 3 |  |
| Route <br> 4 |  |
