III. Underline the Reflexive Pronouns in the story given below.

I forced myself to wake at 5.00 am on a Saturday morning. Mom and I prepared pancakes for breakfast. As dressed I looked at myself in the mirror before leaving for the park. I saw a couple who used their camera on their cell phone to click pictures of themselves. Then I came across a dog that was walking by itself. I met Jenny and Thomas at the park. Jenny bought some chocolates that were prepared by herself. Thomas got some casserole that was baked by himself. While playing the guitar, Jenny asked me, "Did you learn that by yourself?" As we were having fun we realised that we need to often spend some quality time with ourselves.
