READING A MAP WITH KEYS

Q3. Today is Tim's first day of school. With the help of the symbols and directions help Tim to reach the school on time.

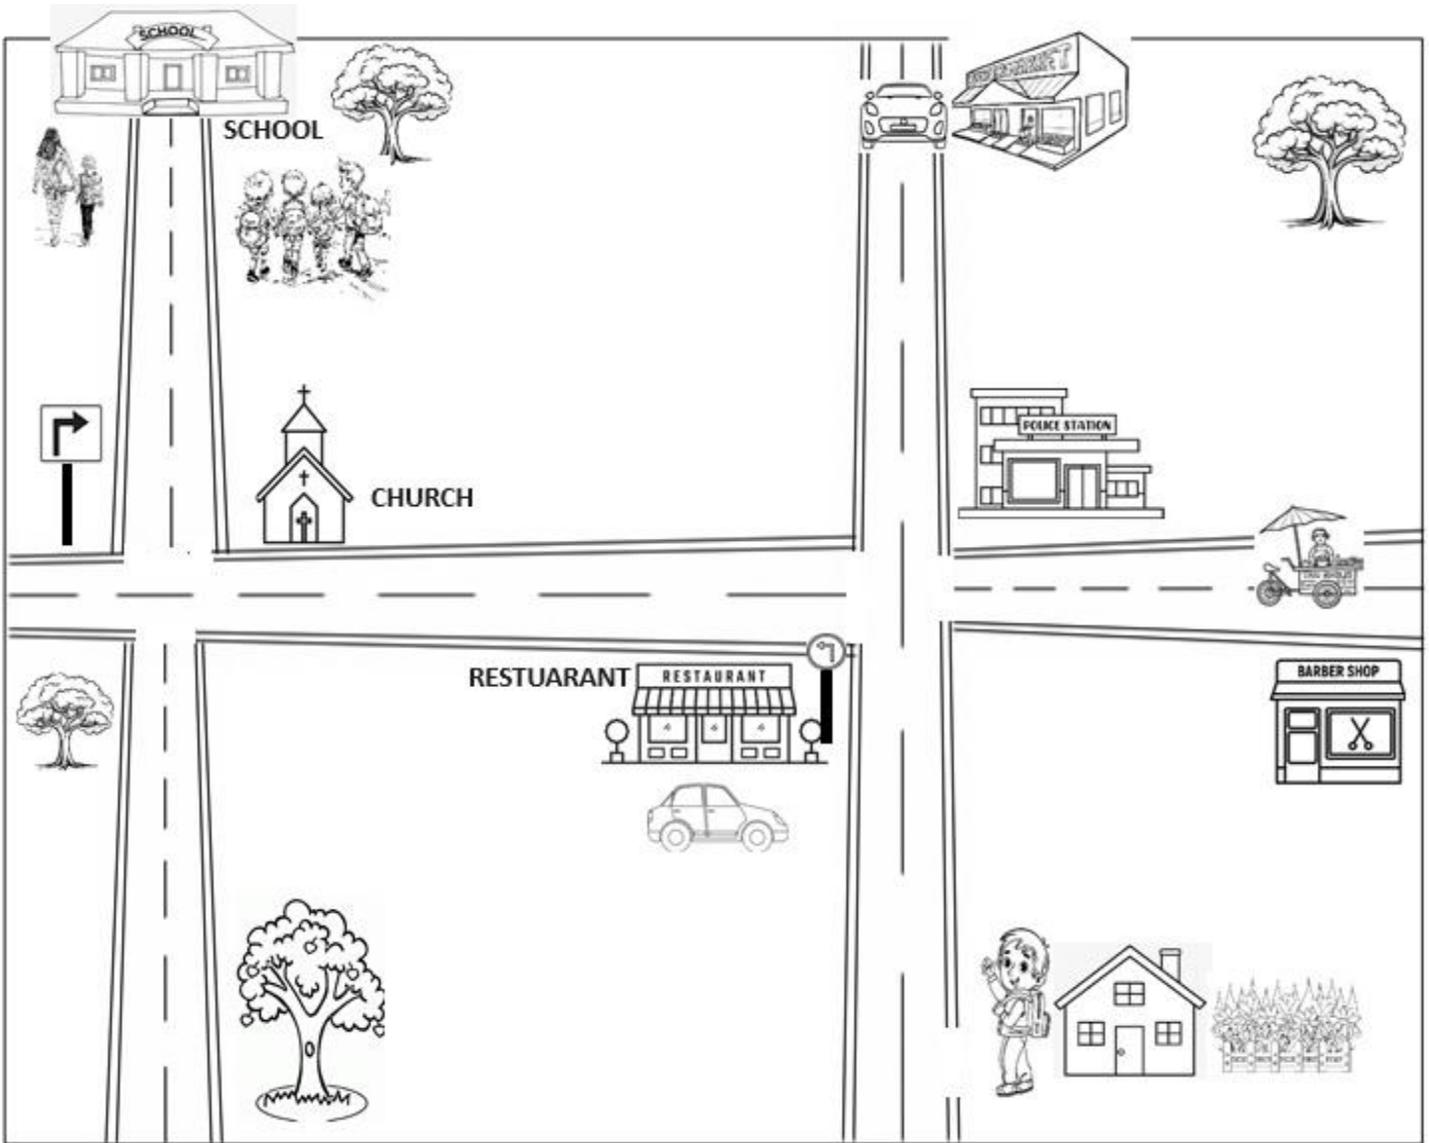

Let's start! Tim is at his home. He needs to exit his house and turn right. He has to continue walking straight until he reaches the restaurant. At the restaurant he has to take a left and walk straight again until he reaches a church. At the church Tim needs to take a right and walk straight till he reaches the end of the road where his school is situated.

I hope you will be able to guide Tim in the right direction.
