II. Read the passage carefully and underline the Adverbs of Place.

It was a holiday as it was raining heavily. Mother asked Tarun and Tania to play indoors. Meena played with her doll, while Tarun solved the jigsaw puzzle. After some time mother called them down to have lunch. They hurried downstairs as they were very hungry. After lunch they returned upstairs. Tania could not find her doll anywhere. She searched for it everywhere. She then looked in her toy box and was happy to find it there. After a while Tarun looked out. It had stopped raining. They quickly went downstairs and took permission from their mother to play outside. They went to the small park nearby and played with their friends.
